INDEPENDENT AUDITORS' REPORT

To the Board of Directors of the
National Wildlife Federation Action Fund and Affiliate

Opinion

We have audited the consolidated financial statements of the National Wildlife Federation Action Fund (NWF Action Fund) and its affiliate, National Wildlife Federation Action Fund Political Action Committee (NWF PAC) (collectively referred to as "the Organization"), which comprise the consolidated statements of financial position as of August 31, 2025, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Organization as of August 31, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The consolidated financial statements of the Organization as of and for the year ended August 31, 2024 were audited by Marcum LLP, whose report dated December 13, 2024, expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying August 31, 2025 consolidating schedules of financial position and activities on pages 15 and 17, respectively are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The August 31, 2025 information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the consolidated

financial statements as a whole. The August 31, 2024 consolidating schedules of financial position and activities on pages 16 and 18, respectively were subjected to the auditing procedures applied in the August 31, 2024 audit of the basic consolidated financial statements by Marcum LLP, whose report dated December 13, 2024 stated that the information was fairly stated in all material respects in relation to the August 31, 2024 consolidated financial statements as a whole.

NATIONAL WILDLIFE FEDERATION ACTION FUND AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years Ended August 31, 2025 and 2024

1. Organization and Summary of Significant Accounting Policies

Organization

National Wildlife Federation Action Fund (NWF Action Fund) is a non-for-profit organization that was formed in Colorado in 1989 as National Wildlife Action for the purpose of conducting conservation advocacy programs. In August 2008, National Wildlife Action was renamed National Wildlife Federation Action Fund. NWF Action Fund advocates for the conservation interests of hunters, anglers and outdoor enthusiasts from all walks of life and political stripes. Through grassroots action and focused legislative campaigns, NWF Action Fund works to give wildlife and wildlife enthusiasts a voice in the democratic process. NWF Action Fund raises the visibility of key conservation issues such as global warming with voters and elected officials. NWF Action Fund serves as a source of information for citizens who are interested in conservation issues concerning wildlife. These activities are funded principally through grants and contributions.

National Wildlife Federation Action Fund Political Action Committee (NWF PAC) is a separate legal entity. NWF PAC's purpose is to support candidates who share the policy goals of NWF Action Fund. NWF PAC is registered with the Federal Election Commission (the FEC) and is governed by the Federal Election Campaign Act of 1971, as amended, as it relates to federal elections.

Principles of Consolidation

The accompanying consolidated financial statements as of and for the years ended August 31, 2025 and 2024, include the activities of NWF Action Fund, as well as the activities of NWF PAC. Collectively, these entities are referred to as the Organization. All intercompany balances and transactions have been eliminated in consolidation.

Grants and Contributions Receivable

Grants and contributions receivable are recorded at their net realizable value. The Organization utilizes the allowance method to account for potentially uncollectible accounts receivable. The allowance for doubtful accounts is based on management's evaluation of the outstanding accounts receivable balance.

Furniture and Equipment

Furniture and equipment with an acquisition value of \$1,000 or greater are stated at cost. Depreciation is provided for on a straight-line basis over the estimated useful lives of the assets, which range from three to seven years. Major additions are capitalized, while replacements, maintenance and repairs that do not improve or extend the lives of the respective assets are expensed as incurred.

Investments

Investments consist of common stock and are reported at fair value based on quoted market prices. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in common stock are stated at quoted market values. Investment returns reported in the accompanying consolidated statements of activities include unrealized gains resulting from changes in fair values of the investments.

NATIONAL WILDLIFE FEDERATION ACTION FUND AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years Ended August 31, 2025 and 2024

1. Organization and Summary of Significant Accounting Policies (continued)

Fair Value Measurement

In accordance with the accounting standards for fair value measurement for those assets and liabilities that are measured at fair value on a recurring basis, the Organization has categorized its applicable financial instruments into a required fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest-level input that is significant to the fair value measurement of the instrument.

Applicable financial assets and liabilities are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Organization has the ability to access.

Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable, either directly or indirectly, for substantially the full term of the asset or liability.

Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

As of and for the years ended August 31, 2025 and 2024, only the Organization's investments, as described in Note 3 of these consolidated financial statements, were measured at fair value on a recurring basis.

Classification of Net Assets

The Organization's net assets are reported as follows:

- Net assets without donor restrictions represent the portion of expendable funds that are available for support of the Organization's operations.
- Net assets with donor restrictions represent funds that are specifically restricted by donors for use in various programs and/or for a specific period of time. These donor restrictions can be temporary in nature in that they will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity. As of August 31, 2025 and 2024, the Organization had no net assets with donor restrictions that are required to be maintained in perpetuity.

Revenue Recognition

The Organization recognizes all unconditional promises to give in the period in which the commitment is made and the value is measurable. Unconditional grants and contributions received are recorded without donor restrictions or with donor restrictions depending on the

NATIONAL WILDLIFE FEDERATION ACTION FUND AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years Ended August 31, 2025 and 2024

1. Organization and Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

existence and/or nature of donor restrictions. Amounts received that are designated for future periods or restricted for specific purposes are recorded as with donor restrictions. When a donor-stipulated time restriction expires or purpose restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Revenue recognized on unconditional promises to give for which payment has not been received at year-end are reported as grants and contributions receivable in the accompanying consolidated statements of financial position. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows if material. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been met. During the year ended August 31, 2025, a request was made by a donor to return their contributions related to a specific project in the amount of \$767,132.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of functional expenses. Expenses directly attributed to specific functional areas of the Organization are reported as expenses of those functional areas, while shared costs that benefit multiple functional areas have been allocated among the various functional areas based on estimates determined by management to be equitable. Salaries and wages are allocated based on an analysis of personnel time and effort.

Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Measure of Operations

Operating revenue and expenses generally reflect those revenues and expenses that management can influence. The Organization considers other income and investment income or loss, including interest and realized and unrealized gains and losses, to be nonoperating activities.

2. Grants and Contributions Receivable

The grants and contributions receivable, representing amounts due from online credit card contributions were \$23,559 and \$2,305, as of August 31, 2025 and 2024, respectively. All amounts are due within one year and considered to be fully collectible. Accordingly, no allowance for uncollectible grants and contributions receivable has been provided.

NATIONAL WILDLIFE FEDERATION ACTION FUND AND AFFILIATE

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Years Ended August 31, 2025 and 2024

3. Fair Value Disclosure of Financial Instruments

The following tables set forth the fair values of financial assets that are measured at fair value on a recurring basis by their fair value hierarchy classification as of August 31, 2024.

	Total Fair Value	Quoted Prices in Active Markets for Identical Assets/ Liabilities (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Equity – common stock	\$ 19,051	\$ 19,051	\$ -	\$ -
Total Investments	\$ 19,051	\$ 19,051	\$ -	\$ -

The Organization used the following method to estimate fair value for assets recorded at fair value:

Equity – common stock – Valued at quoted market price for identical assets in active markets and classified within Level 1 of the valuation hierarchy.

4. Related Party Transactions

The National Wildlife Federation (NWF) is a not-for-profit organization that was formed in the District of Columbia for the purpose of promoting the wise use and proper management of their natural resources. Founded in 1936, NWF works with its member supporters and a national network of affiliated organizations to unite all Americans to ensure wildlife thrive in a rapidly changing world.

NWF provided \$260,000 in grants and contributions to NWF Action Fund for the years ended August 31, 2025 and 2024. In addition, NWF Action Fund reimburses NWF for certain costs such as leased staff, benefits, miscellaneous expenses and overhead costs. As of August 31, 2025 and 2024, NWF Action Fund incurred \$852,340 and \$883,248, respectively, in such costs. In addition, NWF Action Fund owed NWF \$163,558 and \$163,192, as of August 31, 2025 and 2024, respectively, for such costs; these amounts are included in accounts payable and accrued expenses in the accompanying consolidated statements of financial position.

5. Net Assets With Donor Restrictions

Net assets with donor restrictions of the Organization were available with the following purpose as of August 31:

	<u>2025</u>	<u>2024</u>
Advocacy and public education activities	\$ 807,324	\$ 1,268,840
Total Net Assets With Donor Restrictions	\$ 807,324	\$ 1,268,840

NATIONAL WILDLIFE FEDERATION ACTION FUND AND AFFILIATE

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Years Ended August 31, 2025 and 2024**

6. Availability and Liquidity

The Organization's financial assets available within one year of the consolidated statements of financial position date for general expenditures at August 31, 2025 and 2024, were as follows:

	<u>2025</u>	<u>2024</u>
Cash	\$ 2,137,393	\$ 2,582,512
Grants and contributions receivable	23,559	2,305
Short-term Investments	<u>-</u>	<u>19,051</u>
Total Financial Assets		
Available Within One Year	2,160,952	2,603,868
Less:		
Amounts unavailable for general expenditures		
due to donors' restriction with purpose restriction	<u>(807,324)</u>	<u>(1,268,840)</u>
Financial Assets Available to Meet		
General Expenditures Within One Year	<u>\$ 1,353,628</u>	<u>\$ 1,335,028</u>

The Organization has various sources of liquidity at its disposal, including cash and cash equivalents and short-term investments, which are available for general expenditures, liabilities and other obligations as they come due. Management is focused on sustaining the financial liquidity of the Organization throughout the year. This is done through monitoring and reviewing the Organization's cash flow needs on a weekly basis. As a result, management is aware of the cyclical nature of the Organization's cash flow related to the Organization's various funding sources and is therefore able to ensure that there is cash available to meet current liquidity needs.

7. Concentration of Risk

Financial instruments which potentially subject the Organization to a concentration of credit risk consist principally of cash balances maintained at various creditworthy financial institutions. While the amount at a given bank, at times, may exceed the amount guaranteed by federal agencies and, therefore, bears some risk, the Organization has not experienced, nor does it anticipate, any losses on its funds. At August 31, 2025 and 2024, the amount in excess of the Federal Deposit Insurance Corporation insured limit of \$250,000 was approximately \$1,848,000 and \$2,302,000, respectively.

8. Income Taxes

NWF Action Fund is exempt from the payment of income taxes under Section 501(c)(4) of the Internal Revenue Code (the IRC), except for tax on any income that may be a result of unrelated business transactions. NWF PAC is a separate segregated fund as defined under Section 527(f) of the IRC that was created pursuant to the Federal Election Campaign Act and is regulated by the FEC. NWF PAC is also subject to tax on any income that may be a result of unrelated

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS For the Years Ended August 31, 2025 and 2024

8. Income Taxes (continued)

business transactions, as well as taxes on their interest income, which is taxed at 21% tax rate. The income tax expense related to NWF PAC for the years ended August 31, 2025 and 2024 was \$2,960 and \$4,153, respectively. Neither organization had any significant net unrelated business income for the years ended August 31, 2025 and 2024.

The Organization follows the authoritative guidance relating to accounting for uncertainty in income taxes included in FASB Accounting Standards Codification Topic 740, *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return.

The Organization performed an evaluation of uncertainty in income taxes for the years ended August 31, 2025 and 2024, and determined that there were no matters that would require recognition in the consolidated financial statements or that may have any effect on its tax-exempt status. U.S. Federal jurisdiction and/or the various states and local jurisdictions in which the Organization files tax returns are open for examination; however, there are currently no examinations pending or in progress. It is the Organization's policy to recognize interest and/or penalties related to uncertainty in income taxes, if any, in income tax expense. As of August 31, 2025 and 2024, the Organization had no accruals for interest and or/penalties.

9. Subsequent Events

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through January 8, 2026 the date the consolidated financial statements were available to be issued. There were no subsequent events identified that require recognition or disclosure in these consolidated financial statements.
